INSTRUCTIONS FOR PREPARATION OF ABSTRACTS

Please read the instructions carefully before filling in the application form. You may edit your saved abstracts until you submit them to the Scientific Committee.

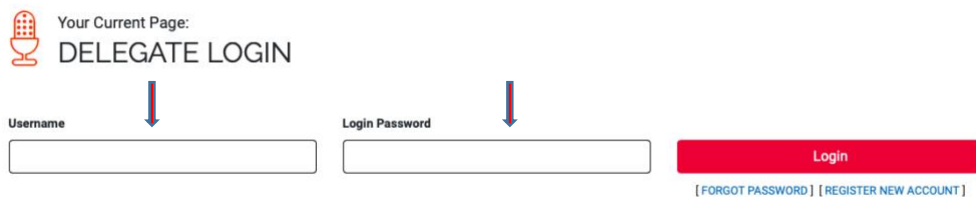

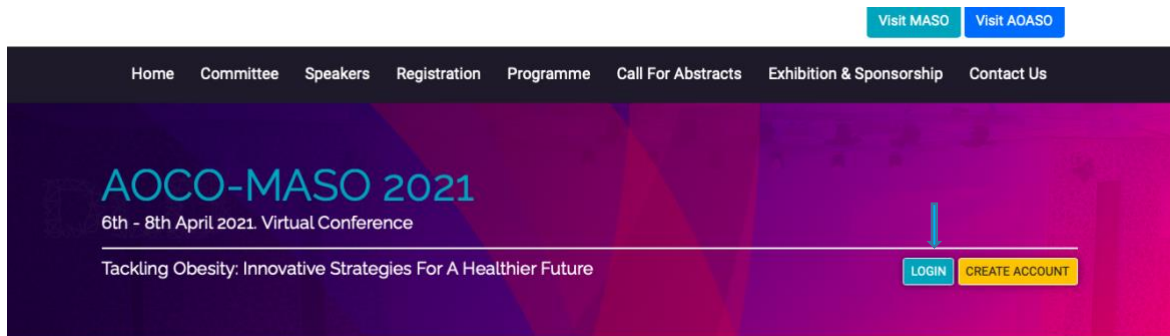

1. Only English language should be used.
2. Abstracts should not exceed 300 words.
3. The full title should not exceed 25 words.
8. We urge all abstract authors to use person-first-language when referring to all chronic diseases, including but not limited to obesity, diabetes, cancer and hypertension.

STEP 2:

Please read through the instructions on the website (as in STEP 1) carefully before submitting your abstract.

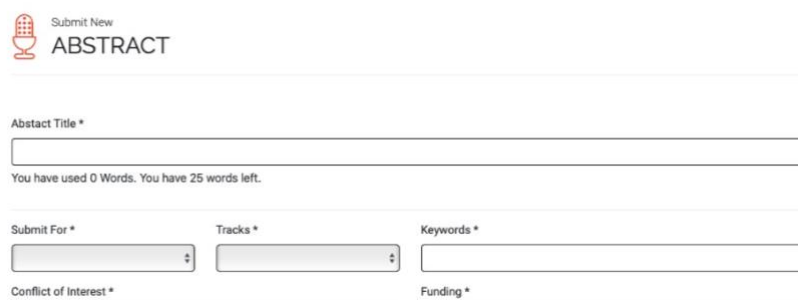

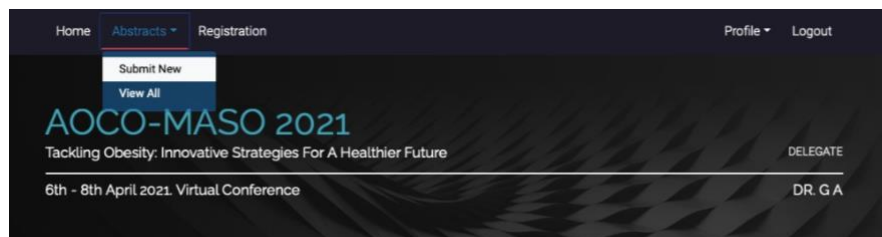

STEP 3:

To submit an abstract, please login to the delegate account site using your registration credentials.

STEP 4:

At the delegate conference site, click 'Abstracts' tab and followed by 'Submit New' tab on the top left corner of the page.

STEP 5:

Please provide all the necessary details on abstract and main author and click 'Submit'. Fields marked with an asterisk (*) are mandatory.

The screenshot shows a web form for abstract submission. At the top is a text box for 'Abstract Title *' with a word count: 'You have used 0 Words. You have 25 words left.'
